TRINITY CYBER FORUM

Web-d-Event: DARE2DEVELOP

Trinity Cyber Forum organized an Event DARE2DEVELOP on 1st and 2nd May, 2021(Saturday and Sunday). It was a web development competition for 1st, 2nd, and 3rd (All Branch) students. There were registrations by 75+ students (48 teams), 30 teams participated and 17 made it to the final round in the event. All the participants were given 5 Topics from which they had to choose one to create a website/web application using either Frontend or Backend or both of their choice. Students could participate Solo/Team (2-4 Students) and top 5 teams were declared as winners.

WINNERS:

1st Position – Reactive Developerz – Ritik Gupta, Disha Bahal, Jaya Gaur, Sourodeep Ghosh Roy

2nd Position – The Hidden Ones – Dhruv Varshney, Rudrash Aggarwal, Priyanshu Gupta

3rd Position – B Dev – Atif Moin, Anjali Mathur, Satya Sharma, Martin Mohanan

4th Position – 404 Not Found – Ajay Pal, Anubhav Chitragupta, Rahul Kumar, Sparsh Malhotra
